\$200,000 Urgently Needed—Hawaii's Share \$2000

Will You Help?

Give donations to Authorized solicitor or mail direct to Lt.-Col. Robert Dubbin, P. O. Box 518.

A Benefit Concert for this purpose will be given in the Mission Memorial building, King street, by the Life-Saving Guards' Regimental Band, of the Manoa Girls' Home. Tickets, 50 cents and \$1.00.

Don't neglect your children's eyes

88 Per Cent of the School Children
do not have Normal Vision.

Why wait until those pitiful symptoms of poor vision appear—squinting, complaints of dull headaches and of dizziness?

Spare the child that pain and its premonition of serious trouble. Bring the boy or girl to us. It may mean the difference between a lifetime of good, clear vision, or a lifetime of weak eyes, poor vision and all the attendant dangers and troubles.

Our charges for examination are reasonable.

THEATRICAL OFFERINGS

MORAL LESSON AT THE BIJOU

SCARLET LETTER FILM AT HAWAII

Marguerite Snow, appearing at the Bijou in the feature offering, "The Slave Mart," displays a charming personality in the role of Maria, the Italian immigrant girl who, pursued by white slavers seeking to add to their list of their numerous victims, finds happiness and solace in the love of a big strong American who has saved her from the leprosy leeches of society.

"The Slave Mart," while suggestive by its name, does not overreach the laws of propriety, but on the other hand is a strong, gripping film that deals with the danger lurking in the footsteps of young girls whose chief asset is beauty of face and figure, emphasizing the impressions that are made on young people in these days of wine, women and song, and typified in the cabaret life of the metropolitan centers of the mainland. It conveys a warning to parents as well as to girls, and some of the scenes bring home the moral pitfalls that surround the young, innocent and unsophisticated.

A well connected love story serves to link up theme and action, making an interesting drama.

LIBERTY SHOWS BEBAN TONIGHT

George Beban has been seen in Honolulu in many roles, but in none has he appealed more to the human emotions than in his present offering, "A Roadside Impresario," which will be shown for the last time tonight at the Liberty theater. Mr. Beban, who excels in his delineation of Italian characters, divides honors in this picture with Bruno, a trick bear, who creates many laughable situations and eventually finds himself in jail as the result of wrecking an apary. It is while trying to earn money as a dishwasher to bail Bruno out of jail that Beban learns of a plot to blackmail the candidate for mayor. In revealing the plan of the schemers he not only wins the gratitude of the politician, but is reunited with his daughter, whom he has not seen for sixteen years.

The first chapter of the new Pathe serial, "The Mystery of the Double Cross," is brimming with swift action, in which Molly King and Leon Barry are featured. The keynote of the story is one of mystery and promises to hold the tense interest of the spectator from the first chapter to the last.

MISS YAW TAKES TO NATIVE SONGS

Ellen Beach Yaw, the noted coloratura soprano, who is to be heard in two recitals at the Mission Memorial Hall, King street, on the evenings of Dec. 4 and 7, expresses herself particularly pleased to have an opportunity to learn some of the sweet Hawaiian songs at first hand, having long been an ardent admirer of Hawaii's unique music.

The great singer spends considerable time daily now in perfecting herself in the several new Hawaiian songs which have been written especially for her and which she will sing during her concerts.

Ernest Keal, who will appear with Miss Yaw, is diligently training the Hawaiian girls who will support Miss Yaw in her coming Hawaiian numbers.

The Hawaiian numbers of Miss Yaw's programs should easily be the features, for it is difficult to imagine anything, among songs, sweeter than should be the combination of the naturally beautiful native Hawaiian music, especially treated by a voice of the calibre of Miss Yaw's.

Rose Winslow, of New York, and Miss Alice Paul, suffragettes, are in the workhouse jail hospital at Washington, on a hunger strike.

You're not the first man to find that our advertising columns will get all the results we claim.

Like A Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor Says Nuxated Iron is Greatest of All Strength Builders—Often Increases the Strength and Endurance of Delicate, Nervous Folks 200 Per Cent in Two Weeks' Time

NEW YORK, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man; in fact a young man he really was notwithstanding his age. The secret he said was taking iron—nuxated iron had filled him with renewed life. At 30 he was in bad health; at 40 careworn and nearly all his life he had been ailing. Now at 50 a miracle of vitality and his face beamed with the buoyancy of youth. Just two years ago he had said a hundred times over, iron is the greatest of all strength builders. If people would only throw away their medicine and take simple nuxated iron, I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia, grippe, consumption, kidney, liver and heart trouble, etc. The real and true cause which started their disease was nothing more or less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissues. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in a soil deficient in iron. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Just take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or ferrous iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want to do any good, otherwise it may prove worse than useless. Many an athlete or prize-fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron.—E. Sauer, M. D.

NOTE—Nuxated Iron recommended above by Dr. Sauer is not a patent medicine nor secret remedy, but one which is made from pure iron and whose iron constituents is widely prescribed by eminent physicians everywhere. Unlike the iron tonics, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary it is a most potent remedy, in nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent or over in four weeks' time provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by Hollister Drug Co., Benson South Co., Chambers Drug Co., and all other druggists.

TWO (2) SHOWS TONIGHT—6:40-8:30

SEVEN POI MEN BELOW STANDARD

Samples of poi analyzed by the territorial food inspector recently show seven out of 13 manufacturers selling a product which is below the required standard. The remaining six were above the standard set by law.

Poi from the following dealers was analyzed and found to be above the required standard:

See Wo Chan . . . 31.8 per cent solids
Hawaiian Poi Factory . . . 34.4 per cent solids
Motage Okada . . . 31.2 per cent solids
Honolulu Poi Factory . . . 32.5 per cent solids
Sam Hop Kee . . . 32.3 per cent solids
Lee Lung Kee . . . 31.1 per cent solids

Samples from the following dealers were found to be below the required standard, and the dealers are accordingly subject to prosecution:

Wong Wing, Kwong Wing, Ah Sam, Lum Duck Chow, Sun Sam Hop, Yip Chin, Oahu Poi Factory.

Poi is made from cooked taro. Taro after cooking contains about 38 per cent solids; that is about 62 per cent moisture. To make it into poi it is ground up and kneaded with water. The amount of water is limited by law. That is, the finished poi must not have less than 30 per cent solid nor more than 70 per cent moisture.

Sixty iron workers and engineers employed by contractors in the construction of new buildings at the government arsenal at Watertown, N. Y., struck because of open shop conditions under which three contractors operate.

Every successful business man has a lucky star. If you haven't located yours, we'll rent you a planet in the Bulletin's advertising firmament. You'll find it a fine thing to hitch your wagon to.

I AM THANKFUL to have been the agency through which Dame Nature has healed the sick, made the blind to see, the paralyzed to walk, the deaf to hear, and restored cool comfort to the aching head and fevered brow.

I AM THANKFUL that these efforts have brought increased opportunities for greater service, day by day.

I ASK that the coming year may place in my hands added responsibilities in the field of usefulness to suffering humanity.
